

Technical workshop

Time: 16th-19th of February 2009

Location: Grimstad, Dømmesmoen, Norway

Venue web site (Norwegian only):

http://www.uia.no/no/portaler/om_universitetet/hvem_hva_hvor/doemmesmoen_stuedsted_og_kurssenter

Physical address:

Fjæreveien 30, N - 4885 GRIMSTAD

Room:

“Landskapet”

Phone:

+47 37253010

Project Web site:

www.egovmon.no

Phones: Mikael Snaprud + 47 91 862 892
Morten Goodwin Olsen +47 95 24 86 79

Topics of the meeting

- Status and progress for online barriers fix forum.
- Progress of the Forum for web quality for the users in collaboration with Difi.
- Code extraction for the eAccessibility checker.
- PDF evaluations
- Transparency explained document.
- Refine ideas on how to measure transparency
- How to arrive at a WCAG for transparency? Addressing comments from 4. December meeting in Oslo.
- How to get the transparency data needed for the algorithms.
- Difi WAM – outlook for transparency
- How to support DIFI to install eGovMon.
- Discuss a draft on efficiency and impact measurements. (Norwegian Consumer Council, Government Agency for Financial Management).
- Overall performance issues in terms of processing speed and storage space.
- Test report on the software similar to the one prepared for EIAO.
- Align further project plans
 - Update the status of accessibility and transparency measurements. Anatomy overview vs. planner.
- Practical tools in practical use: Zotero, Planner etc

The meeting will be held in English.

To facilitate the collaboration and sharing of documentation, please bring a laptop with wireless access, if you have available.

Please note that this is a draft schedule that will be filled with more details.

Proposed agenda Wednesday 2010-02-17 : Accessibility

Time	Event	Presenter
0800	Breakfast	
0900	Brief overview of the agenda and purpose of the meeting.	Mikael Snaprud, TT
